

JPC develop TL300 series for high power application of electrical vehicle. It can be suitable for 35/50/70mm² cross-section cable with different current rating.

PRODUCT SPECIFICATION

1. JPC TL300 R/A Plug with HVIL
2. O-Ring Terminal
3. 70mm² Cross-section with Shielding Cable
4. Cable Length_2.3M(customized)
5. Voltage Rated: 1500V
6. Current Rated: 250A
7. IP67 mated

APPLICATION/MARKET

Power interconnection of Electrical Vehicle
(PDU/MCU/Motor/OBC/Inverter)

INTERNATIONAL Q/C CERTIFICATION

Raw cable meet ISO 6722
ISO 9001
ISO 14001

Shipment Performance

Taiwan Electrical Motor Drives Manufacturing Company
